If a man who is inscribed in another uyezd wishes to engage in agriculture in a strange pasture or a strange summer camp, the community to whom the land belongs demands rent from him for its use, the amount of which depends on the conditions. The person in question is forbidden to plant trees and to build. Persons of outside communes are not admitted to these winter camps. In case of misunderstandings, these persons pay money for the fodder under foot - chubauz (Perovsk uyezd).
